Don't Forget Our Brush Up For The Game Season!

One hours Instruction or Full Days Instruction for the individual or group.

Brush up your driven shooting for the comping season. Your day will consist of a brief talk on gun handling and safety, dress & etiquette in the field. This will be followed by a day's shooting of simulated driven grouse, partridge and pheasant.

If you have not been on a formal driven day before, this course would be ideal to answer all your questions. Also an ideal day for your syndicate or for the person who has gone off form. This day is for parties but we will be happy to take individual bookings to make up a group.

The Caesar Guerini & Fabarm Open Day

On Saturday 11th October The Oxford Gun Company, Caesar Guerini & Fabarm invited people to come & experience Clay and Game Guns!

It was a great day for trying different guns and we also had a special guest;

Brett Winstanley winner of the British Open Sporting Championship 2014 on hand with some shooting tips.

From 2015 The Oxford Gun Company will be stocking New Caesar Guerini's & Fabarm's.
